ANNOUNCEMENT OF STUDENTS OF GENERAL NURSING & MIDWIFERY

LEVEL 3

The finance department is informing all students who are going to sit for the final evaluation with external examiners that the last date to complete the payment of Tuition and Graduation fees is fixed on Saturday January 16, 2021. To be allowed to sit for that exam each student should present the clearance coupon given by finance department and the student card/ID. Failure to comply with the deadline will lead the concerned to delay a year before sitting to such exam which is organized once a year.

Sincerely,

Joseph Ndikumana,

Director of Administration and Finance of KP.
