ANNOUNCEMENT OF TUITION PAYMENT FOR ALL STUDENTS

The finance department is informing all students that tuition fees should be paid on time and clearance coupon from finance obtained at least two days before the exam period. No one will be allowed in exam without the clearance coupon along with the student card/ID. Note that the clearance coupon is valid for a specific period of exam. Failure to comply with this measure will lead the concerned student to pay fine and/or to delay in the study progress due to sitting exam delay.

Sincerely,

Joseph Ndikumana,

Director of Administration and Finance of KP.
