

KIBOGORA POLYTECHNIC

ANNOUNCEMENT

The Office of the Academic Registrar wishes to inform all candidates for its “**Upgrading Program**” in **General Nursing (A0)** who were given “**Admission Letters**” that they have to apply for “**INDEXING**” with the **NCNM** before they can be enrolled (registered) in the program for which they applied, and thereafter be allowed to start the courses.

The above follows the “Education Quality and Entry Requirements for Health Related Programs” requested by the Higher Education Council (HEC) in its letter **Ref. No DG/HEC/020/2021** of **19 January 2021** and stating that “*all students wishing to study Health-related programs in Rwanda or abroad must be indexed before enrolment [...]*”

N.B: Only candidates with **INDEX NUMBER** provided by the **NCNM** for General Nursing **A0** will be allowed to start courses.
